All model designers and repaint artists have kindly given permission for their work to be used except for Alan Devins as we received no reply to all our enquiries. Please respect each person's copyright and contact the original author for permission.

A Very Special Thank You!

To John Young and the team at Airfield Construction for invaluable help with lighting effects for this project. Also, for sharing scenery tutorials, tips and tricks. We recommend you visit <http://www.airfieldconstructiongroup.org/forum/index.php> and register!

A big thank you to Frank Safranek for beta testing our scenery and for his excellent 'Mirage' website. Please visit it at <http://www.mirage4fs.com/>

Also, to Arno at <http://www.fsdeveloper.com/forum/index.php> for his superb 'Library Creator XML' prog. plus the very useful 'Wiki' and forum that folks contribute to.

To SimOuthouse for giving the Flight Sim community a home <http://www.sim-outhouse.com/sohforums/forum.php>

Also, to Don Grovestine for the 'Static Aircraft Model Maker' an excellent utility.

Special thanks to our beta testers Tony Cummings, Steve Swannack and Paul Socha.
