

AG518 Ashley's Field, Skegness

We have moved over to the other side of the country for the next one. A great little field called Ashley's Field, reasonably easy to spot, and just five miles inland from Chapel St. Leonards over near Skegness.

Both runways are grass 06/24 is rather short but access is clear of obstacles. A quick trip down the coast from Strubby Gliding Club is a good introduction. Fly eastwards towards the coast, then turn south towards Chapel St. Leonard's, turning westwards over the large village green. I have placed runway numbers to help you find it.
