

# Kuusamo Airport – EFKS

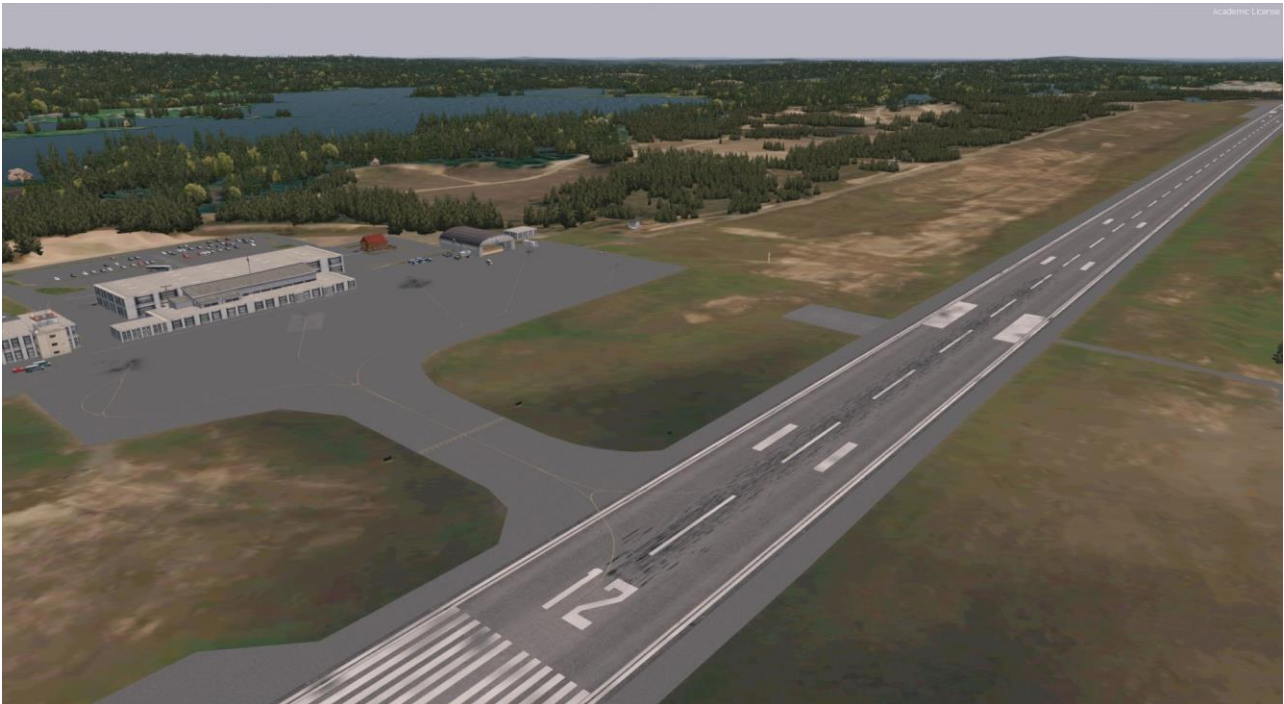

Kuusamo airport in Prepar3D v4

## First words:

Thank you for downloading my scenery! I really appreciate it. Hope you enjoy this scenery as much as I did making it. :)

Kind regards: Joona (Finnaviation7)

INSTALLATION!! →

## Installation:

1. Delete any other sceneries that might interfere with Kuusamo airport (EFKS)
2. Put EFKS\_Kuusamoairport folder in to your Addon scenery folder in you simulator installation folder. If you dont have one make it!
3. Download and install Tatu Kantomaa's AMAZING Postcards from Lapland scenery for 10/10 experience of this scenery. (NOT REQUIRED BUT HEAVILY SUGGESTED) ([HERE](#))
4. Open your simulator and add EFKS\_kuusamoairport to your scenery library.
5. ENJOY! :)
