

SUPPORT, QUESTIONS & UPDATES

Project Airbus A320 FD special version v3

If you have any problem or difficulties with the installation or the use of this aircraft, you can answer your find my support at the Project Airbus Forum, where I have created a dedicated thread for that.

Follow this link : <http://www.pafs.wf/discussion/viewtopic.php?f=2&t=1942>

This forum is free and you can read it without register.

If you want participate or answer questions, register is totally free and takes 2 minutes.

You will find at the **first post** of this topic a summary, where you will find the links to download all my aircrafts, and also **if there is an update for your aircraft**.

If you are **french** or if you speak french, you can also go to the forum « **Pilote-virtuel.com** ».

There is a thread dedicated to my aircrafts : <http://www.pilote-virtuel.com/viewtopic.php?id=39706>

Same thing, **the first post of the topic is a summary of my aircrafts evolution and updates**.

Thanks
