

Farm Strip Scenery for MSFS 2020

I have created 5 Farm Strips for MSFS 2020, just as a practice.

- 1 Brook Farm*
- 2 EGZB Carr Valley*
- 3 EGIH Cockerham*
- 4 St Michael's*
- 5 EGJK Tarn Farm*

I have simply used the default objects supplied by MSFS to populate the airfields. When I learn how to do it I will hopefully eventually replace the default buildings with my own. Until Then I hope you enjoy. I will design some more soon. Let me know if you would like me to do yours.

Unip the file into an empty folder then simply place the unzipped folders into

C:\Users\<your name>\AppData\Local\Packages\
Microsoft.FlightSimulator_8wekyb3d8bbwe\LocalCache\Packages\Community

Not quite as easy as FSX!

EGZB Carr Valley

EGIL St Michael's
