

Technical Manual of the Scenery.

LOMA BONITA **SEMARV** Scenery

Estación Aérea Militar, Loma Bonita, Oaxaca, México.

FSX Version 1.

History in English

The airport is located near the town of Loma Bonita in Oaxaca state, in Mexico.

The Military Air Station No. 8, is operated by the Mexican Air Force and is used to give air support to the Regiment of the Mexican Army based in this place.

Here we locate, the military meteorological station no. 29.

Historia en Español:

Este aeropuerto está localizado cerca del pueblo de Loma Bonita, Oaxaca, en México.

La estación aérea militar no. 8, es operada por la Fuerza Aérea Mexicana y es usada para dar soporte aéreo al 6/o Regimiento de Caballería Motorizado del Ejército Mexicano, basado en este mismo lugar. Aquí también se encuentra la sede de la estación meteorológica militar no. 29.

All airports and airstrips are based in real positions using satellite imagery to establish a standardization for IVAO, VATSIM of any Flight simulation network.
